

Returning The Faith

Ty Herndon

Sam Lorber/Thom Hardwell

I pulled on

The highway

Another day for the wanderer

I knew something

Was out there

Around the corner from

where we were

You could have

Cut and run

Straight back to Tennessee

But you stood true

A real rock

And never doubted me

Chorus:

I will be there

Any time you need me to

As much as you believed in me

I'm returning the faith to you

I'm returning the faith to you

You held me

With a sure hand

You gave love every step

of the way

If it takes me

Forever

I'll give back everything

that you gave

Repeat Chorus

Bridge:

You saved me, now baby

I wanna do a little something

for you

Repeat Chorus
