

You Can Leave Your Hat On

Ty Herndon

Baby take off your coat real slow
Baby take off your shoes
Yeah I'll take off your shoes
Baby take off your dress, yes, yes, yes

You can leave your hat on
You can leave your hat on
You can leave your hat on

Go over there, girl turn on the light, all the lights, baby
Come back here stand up on that chair
Oh girl you know that's right
Now raise your arms in the air, now shake 'em

You give me reason to live
You give me reason to live
You give me reason to live
You give me reason to live

Sweet darlin'
You can leave your hat on
You can leave your hat on
You can leave your hat on
You can leave your hat on

Suspicious minds keep talkin'
They try to tear us apart
But they don't believe in this love of mine
Yeah they don't know what love is

They don't know what love is
They don't know what love is
They don't know what love is
But I know what love is

There's no way
You can leave your hat on
You can leave your hat on
Sweet darlin'
You can leave your hat on
You can leave your hat on
You can leave your hat on
You can leave your hat on
