

## Fine

Ty Segall

You, you are fine  
You're my, mine  
Oh, You don't know  
Just how fine you are  
Oh, You don't know  
Just how fine you are

You, you are cool  
On my... where I stood up  
'Cause really you  
really you don't care  
Exactly the colour of your hair, oh no, oh yeah  
Oh no, oh yeah,  
Oh you know I love,  
Loving is what I do  
Oh you know I love  
I'm gonna love you too oh no, oh yeah  
Oh no, oh yeah

Free, I am free,  
To be who I want to be,

No, you know I wanna be with you  
That is what I'm gonna do, oh no, oh yeah  
Oh no, oh yeah  
Oh you know I love,  
Loving is what I do  
Oh you know I love  
I'm gonna love you too  
Oh you know I love,  
Loving is what I do  
Oh you know I love,  
Loving is what I do  
I'm gonna love you too  
Oh no, oh yeah, oh no, oh yeah.
