

Girlfriend

Ty Segall

I got a girlfriend
she said she loves me
she likes her own way
she won't tell me

cos she don't mind
nothing, nothing
yeah she don't mind
nothing, nothing

she's got a new car
she said I can use it
let's take the guys out
I like to loose it

cos she don't mind
nothing, nothing
well she don't mind
nothing, nothing

yeah she don't mind
nothing, nothing
oh she don't mind
nothing, nothing
