Mister Main

Ty Segall

Oh mister, mister Main, need to know
How you write it, oh, so plain, write it long

Oh mister, oh mister, oh mister, you write it long

Oh mister, mister Main, need to know
How you write it, oh, so plain, write it long

Oh mister, oh mister, oh mister, you keep it long
He said, "I love you lady"

I need to know, I need to know
I need to know, I need to know
