

Sleeper

Ty Segall

Oh, sleeper, my, I'm dreamer, I dream, dream for you
My, I'm dreamer, my, I'm sleeper, my dreams, dreams come true

I'm dream sweet loud, I'm dream for you, from your baby for you
I'm dream sweet loud, I'm dream for you, from your baby for you
Oh I wanna sleep, baby, oh, I wanna go away
Okay, I want your sleep, baby, you

Oh, deeper for deeper into sleep, my sleep too
I will be there with my sleep, dreaming beneath a moon

I'm dream sweet loud, I'm dream for you, from your baby for you
I'm dream sweet loud, I'm dream for you, from your baby for you
I'm dream sweet loud, I'm dream for you, from your baby for you
I'm dream sweet loud, I'm dream for you, from your baby for you
, baby, for you
