

So Alone

Ty Segall

As I was walking the other day
I realized things don't go my way

So sad and lost
My life's a shame surprise surprise

I'm so alone, I'm so alone
Yeah, never-never-never want to let you go

Never coming back, listen up my friends
Seems like the pain inside never ends

So sad and lost
My life's a shame surprise surprise

I'm so alone, I'm so alone
Yeah, never-never-never want to let you go
Never-never-never want to let you go
Never-never-never want to let you go
Never-never-never want to let you go
Never-never-never-never-never-never-never let you go
