

Susie Thumb

Ty Segall

Susie wants to view all the latest news
Sitting on the screen she wants to be free

Maybe I can get to my phone, maybe I can see what's done
Maybe I'll get onto TV, oh, maybe, we'll see

Susie wants to be on all the TV's
Sitting in the screen she waits for you and me

Maybe she can last a while, maybe she will show a smile
Maybe she'll get onto TV, oh, maybe, we'll see
Maybe I can get to my phone, maybe I can see what's done
Maybe she'll get onto TV, oh, maybe, we'll see
