

Thank God For Sinners

Ty Segall

I'm out on the streets, you know
I'm lookin' for you
You give me the sweets, you know
You know I'm not good so...

Thank God for the sinners
Thank God for your love
In the mornin'
I'll rise above

There's a hole in my heart, you know
And you know what to do
Won't you please just stop, you know
So I can make it through

Thank God for the sinners
Thank God for your love
In the mornin'
I'll rise above

Thank God for the sinners
Thank God for your love
In the mornin'
I'll rise above
