

The Drag

Ty Segall

Listen all you people that like to move
I got a new, new thing that'll make you move
And go down, down! Hit the floor!

It's called "The Drag", it's called "The Drag"
It's called "The Drag", "Drag"! Do it the time now, yeah!

So find yourself a partner, don't you wait no more
Take 'em take 'em by the hand and take 'em to the floor!
Down, down, down till you're sore!

It's called "The Drag", it's called "The Drag"
It's called "The Drag", "Drag"! Do it the time now, yeah!
