

Love Don't Stay

Tygers of Pan Tang

Ever get the feeling, something is going wrong?
Hanging around where you don't belong,
I never lied to you,
I did all that you wanted me to do,
But something ain't right,
Something's going on around here.

I tried to open up the door,
Love don't stay here anymore,
There's something wrong and that's for sure,
You've made your choices now you go.

Wake up in the morning, I can't get out of bed,
I'm haunted by the thoughts inside my head,
I never lied to you,
I did all you wanted me to do,
But I can't understand,
Why you've thrown away what we had.

I tried to open up the door,
Love don't stay here anymore,
There's something wrong and that's for sure,
You've made your choices now you go.

You say that I'm a dreamer, and dreams don't come true,
When you put up that defence, I can't see through,
I never lied to you,
I did all that you wanted me to do,
Thinking of all the tricks,
Remember I ain't nobody's fool.

I tried to open up the door,
Love don't stay here anymore,
There's something wrong and that's for sure,
You've made your choices now you go.
