

Story So Far

Tygers of Pan Tang

Been looking for a reason,
I'm waiting for your call,
Gonna take all my chances,
I really need to score...

Hey do you believe,
The story so far,
Hey, it's not hard to conceive,
Can you feel the spark...

Tell me that you understand,
I never told you no lies,
Anyone can criticise me,
It's better to realise...

Don't think about the future,
I don't know what it holds,
Just live the life you want,
Never lose your soul...

Do you believe
Do you believe my story,
Hey, I never told you no lies etc...
