

## Waiting

Tygers of Pan Tang

Am I wasting my time,  
Should I stay or should I leave,  
Acting deaf, dumb and blind,  
Adding insult to injury,  
I'm still here hanging on,  
But you've kept me waiting too long

Give me some kind of a sign,  
It's no some kind of a crime  
To tell me how you feel,  
And what goes on inside your mind

I've been waiting too long,  
How am I to carry on,  
You've kept me waiting too long,  
All my patience has gone

I've had all I can take,  
You're late and I can't wait,  
But I don't plan to remain,  
Only your puppet on a string

Well tell me what am I to do,  
When I'm waiting here for you
