

Redneck Crazy

Tyler Farr

Gonna drive like hell through your neighbourhood
Park this Silverado on your front lawn
Crank up a little Hank, sit on the hood and drink
I'm about to get my pissed off on

I'm gonna aim my headlights into your bedroom windows
Throw empty beer cans at both of your shadows
I didn't come here to start a fight, but I'm up for
anything tonight
You know you broke the wrong heart baby, and drove me
redneck crazy

Wish I knew how long it's been going on
How long you've been getting some on the side
Nah, he can't amount to much by the look of that little
truck
Well he wont be getting any sleep tonight

I'm gonna aim my headlights into your bedroom windows
Throw empty beer cans at both of your shadows
I didn't come here to start a fight, but I'm up for
anything tonight
You know you broke the wrong heart baby, and drove me
redneck crazy
Redneck crazy

Did you think I'd wish you both the best, endless love
and happiness
You know that's just not the kind of man I am
I'm the kind that shows up at your house at 3am

I'm gonna aim my headlights into your bedroom windows
Throw empty beer cans at both of your shadows
I didn't come here to start a fight, but I'm up for
anything tonight
You gone and broke the wrong heart baby, and drove me
redneck crazy
You drove me redneck crazy, oh
