

Everywhere you go, perfection  
Follows you the wrong direction  
And you will never see if for  
You get all that you need and more  
You see it, you want it  
You find it, it's yours

But you can't say what you want or  
Take what you want or  
Choose the moods that you fake when you want  
You said your needed something special  
Then where it's at  
And aren't you glad

The only one of 5; exception  
The child of your pride, deception  
And on your list of things to do  
Is make me fall in love with you  
You find one, you want one  
Cause I'm one, who plays

You can't say what you want or  
Take what you want or  
Choose the moods that you fake when you want  
You said your needed something special  
Which you don't have

You can't say what you want or  
Take what you want or  
Rest and wake anyway that you want  
You said your needed something special  
Well, here I am, and aren't you glad.

Now you got it bad  
I know you do

You can't say what you want or  
Take what you want or  
Choose the moods that you fake when you want  
You said your life couldn't get much better  
Then where you're at

And you can't say what you want or  
Take what you want or  
Rest and wake anyway that you want  
You said your life needed something special  
Which you don't have  
Well, aren't you glad  
Well, aren't you glad  
Well, aren't you glad
