

# I Believe In You

Tyler Hilton

No, I've never seen the sky  
As vanilla as tonight  
And it's here I hold you close  
When I finally close my eyes

And it never ever fails  
The sun comes up the story dies  
And I don't know why

Baby that's all I need  
Is someone like you  
Burning through me  
Ohh and it's never fair  
The way that we meet and you disappear  
No, it don't feel like sleep  
When I'm this alive it's true  
I believe in you  
I believe in you, ohh

It's so hard to give you up  
But too easy to pretend  
Like the way the leaves would fall  
Tell the both of us would end  
What to tell me friends

Baby that's all I need  
Is someone like you  
Burning through me  
Ohh and it's never fair  
The way that we meet and you disappear  
No it don't feel like sleep  
When I'm this alive it's true  
I believe in you...  
I believe in you, ohh, yeah

What you want isn't what you get  
Isn't what you want isn't what you get  
What you want isn't what you get  
Isn't what you want isn't what you get  
I believe in you  
What you want isn't what you get  
Isn't what you want isn't what you get  
I believe in you  
What you want isn't what you get  
Isn't what you want isn't what you get

Cuz baby that's all I need  
Is someone like you  
Burning through me  
Oh and it's never fair  
The way that me meet and you disappear  
Oh and its oh so real  
The way that we talk  
The way that you feel  
Oh and I want to scream, but I know the fault lies with me  
Cuz I believe in you, hey  
I believe in you

I believe in you, ohhhh
