

Insomnia

Tyler Hilton

I miss the girl, and the cigarettes
And the more I try, the more that I forget
To think of you is a flash to find
To think of you I find my light to pass the time

You want me to be that better one
Time goes slowly with you only

Insomnia my friend
Insomnia my friend

I miss the girl and I lost my light
So I'm stumbling through this hollow room for peace of mind
I find that I am going over everything I've said to you, for yo

Insomnia my friend
Insomnia, insomnia

I miss the girl whose not impressed by
Insomnia and my cigarette light, my cigarette light
