

Missing You

Tyler Hilton

Everytime I think of you
I always catch my breath
I'm still standing here
And your miles away
And I wonder why you left me
And there's a storm that's raging through my frozen heart tonight

I hear your name in certain circles
And it always makes me smile
I spend my time just thinking about you
And it's almost driving me wild

But it's my heart that's begging down this long distance line tonight

And I ain't missin' you at all
Since you've been gone... Away
I ain't missin' you
No matter what I might say

There's a message in the wires
And I am sendin' you a signal tonight
You don't know how desperate I've become
And It looks like I'm losing this fight

But it's my heart that's breakin' down this long dusty road of mine

But I ain't missin' you at all
Since you've been gone... Away
I ain't missin' you
No matter what my friends say

And there's a message that I'm sendin' out
Like a telegraph to your soul
I can't bridge this distance
Honey, stop this heartache, overload

I ain't missin' you at all
Since you've been gone... Away
I ain't missin' you
No matter what my friends say
I ain't missin' you
Since you've been gone... Away
I ain't missing you
Yeah, no matter what your friends say

Hey yeah, yeah yeah yeah

I ain't missing you at all
Since you've been gone... Away
I ain't missin' you
No
