

I won't take much of your time  
I just want you to see  
What I have made inside these lines  
It's as good as I can be  
It's as good as I can be  
This is all that I can be  
This is all that I can be  
All that I can be  
Head tilted down, knees on the ground  
And I will ask, "Please.. SAVE! Save me! Please, save, save!  
Save, save, save, save, save, save, save.  
Save me, save me, save me, save me, save me, save me."

I deserve for you to turn away  
I was ashamed to speak your name  
I can't believe that all you see  
Is that you have covered me gracefully  
You're all I want to be  
You're all I want to be  
You're all I'll ever need  
You're all I'll ever need

Jesus.. Jesus.. please.. SAVE! Save me! Save, save, save!  
Save, save, save, save, save, save, save.  
Save me, save me, save me. Save me, save me, save me..

I won't take much of your time...  
Just enough, for you to save me
