

She

Tyler, the Creator

Golden rubbers in these denim pockets (denim pockets)
On my waist, there's a black Glock (black Glock)
New girl moved on the block (on the block)
She been plottin' on my brown cock (brown cock)
Last night I slept over hers (over hers)
During sex, I overheard (I overheard)
A sword sliced the air, I pulled out the na-na
Rolled off the bed then shot back, pa-pa
Blood on the sheets probably spillin' from my gash
Looked out the glass, seen you sprintin' on the grass
A real ninja with the blade and the mask
Got them gold ninja stars and red Supreme nunchuks
Now she tryna patch me up, but
Girl, I was just tryna get a nutbust
If that's your ex, you should probably own a pistol
But I'm guessin' it's wiser to exit with dude

The blinds wide open so he can
See you in the dark when you're sleepin'
Think about it, fresh out the shower
You touch yourself after hours
Ain't no man allowed in your bedroom
You're sleeping alone in your bed
But check your window, he's at your window

The night light hits off, turnin' kisses to bites
I'm a down to earth nigga with intentions that's right
You'll be down in earth quicker if you diss me tonight
But I'll be the happiest if you decide to kick it tonight
We can chill and I can act like I don't wanna fuck
You can tell me all your problems like I really give one
But I give two for us 'cause you're the one that I want
Don't wanna seem like a punk pussy that sips on the punk pussy
See when I'm with my friends I just put on a front
But in the back of my top I'm writing songs about we
We as including I and yourself, making three
Little ones ? pretty hard if you ask me
You're a pretty broad in the top three
Of things that I've been waiting to come, so
Meet me by the lake around 10 and skinny dippin' and then
We can begin the pretend game, I wanna be Finn from Adventure in Time

One, two, you're the girl that I want
Three, four, five, six, seven, shit
Eight is the bullets if you say no after all this
And I just couldn't take it, you're so motherfuckin' gorgeous
Gorgeous, baby you're gorgeous
I just wanna drag you're lifeless body to the forest
And fornicate with it but that's because I'm in love with
You cunt

I just wanna talk, and conversate
Cause I usually just stalk you and masturbate
And I finally got the courage to ask you on a date
So just say yes, let the future fall into place
I just wanna talk, and conversate
Cause I usually just stalk you and masturbate

And I finally got the courage to ask you on a date
So just say yes, let the future fall into place cunt

One, two, you're the girl that I want
Three, four, five, six, seven, shit
Eight is the bullets if you say no after all this
And I just couldn't take it, you're so motherfuckin' gorgeous
Gorgeous, baby you're gorgeous
