

You wanna hear the new song we just did? It's not finished but... yeah

I want to go  
I want to go  
Baby, let's go  
To my treehome  
Treehome

Special  
So let's go  
Lets go oh oh  
Oh, lets go  
I wanna go

Treehome

Colorful you are  
Yeah, that won't stop  
You're my favorite crayon in the box  
Let's think outside the lines

Come to my treehouse, yeah let's escape  
Then let me go, head first in your lake  
From what I heard, it's great  
It's great

(There's a party)

Tuesday is good news day  
Not usually a full tray  
Can you pack your PJs?

(There's a party)

Come into my treehome  
Boy, you must be special  
(I'm special baby)  
No one ever comes here

Tuesday is good news day  
Not usually a food tray  
You must be special  
Come into my treehome  
Boy, you must be  
(Let's just escape)  
(Let's go to my tree house baby)  
Special

Lets just escape  
You and me  
(Oh, he's special)  
Let's just escape  
Will you come into my tree house?
