

# Can't Take This

Tyler Ward

You say you love me  
But what does that mean?  
You say you need me  
Is this only a dream?  
Pull me in and push me back  
Don't know where I'm going  
I never felt like this before

If I'm really the one  
Then tell me what I can do  
If I'm really the one  
I wish I knew, yeah

Well, why are you  
Pulling the strings  
And telling you lies  
Will I wait  
Anticipate  
Will I turn away?  
Just look me in the eyes

And tell me what I can do  
When you say  
The others don't matter  
Just tell me what I can do,

Because I can't take this love you're faking  
Don't pretend, do you know what you do to me?  
And I can't take this, hearts are breaking  
Is it the end?  
Are you blind to what I need?

Now where do we go from here?  
And stop telling you lies  
'Cause our future seems so unclear  
Will you please, oh please let me break these times

'Cause if I'm not the one,  
Then let me be

Because I can't take this love you're faking  
Don't pretend, do you know what you do to me?  
And I can't take this, hearts are breaking  
Is it the end?  
Are you blind to what I need?

Because I can't take this love you're faking  
Don't pretend, do you know what you do to me?  
And I can't take this, hearts are breaking  
Is it the end?  
Are you blind to what I need?
