

Dashes

Tyler Ward

Maybe one day I'll come back here,
Maybe one day I'll be able to love you like I should.
I know it looks like I'm running,
I never said that what we have here wasn't good.

If I don't try now I'll go crazy.
I don't want to wish that I had when I look back on my
life.
There's a feeling I'm chasing
Feels like what I once on the other.. side

So let me go,
Give me dashes on the road,
Maybe I'm walking to a place I don't know.
I gotta see how things, they turn out,
'Cause dreams in this town get cold.
You'll miss your chances if you're marching in time.
Even if I go alone,
The least you can give me are dashes on the road

The city I never laid eyes on,
And I can swear there's an answer waiting there for me.
Driving to my horizon that's always been just out of
reach
It's just what I need
If you love me, and let me just go.

Oh, give me dashes on the road,
Maybe I'm walking to a place I don't know.
I gotta see how things, they turn out,
'Cause dreams in this town get cold.
You'll miss your chances if you're marching in time.
Even if I go alone,
The least you can give me are dashes on the road

Yeah, I'm a little scared to leave home,
But every time that I close my eyes,
I know that I must go.

So, let me go,
Give me dashes on the road,
Maybe I'm walking to a place I don't know.
Maybe if everything turns out,
And I finally found my soul,
You'll miss your chances if you're marching in time.
Even if I go alone,
The least you can give me are dashes on the road.
Even if I go alone,
The least you can give me are dashes on the road.
