

# Fly With Me

Tyler Ward

If time was still the sun would never, never find us  
We could light up the sky tonight  
And I would see the world through your eyes  
Leave it all behind

If it's you and me for forever  
If it's you and me right now  
That'd be alright, be alright

We're chasing stars to lose our shadows  
Peter Pan and Wendy turned out fine  
So won't you fly with me?

So now the past is come alive  
And given meaning and a reason  
To give all I can  
To believe once again

Cause it's you and me for forever  
If it's you and me right now  
That'd be alright, be alright

Cause we're chasing stars to lose our shadow  
Peter Pan and Wendy turned out fine  
So won't you fly with me?

Maybe you were just afraid  
Knowing you were miles away  
From the place where you needed to be  
And that's right here with me

It's you and me forever  
You and me right now  
That'd be alright

We're chasing stars to lose our shadow  
Peter Pan and Wendy turned out fine  
So won't you fly with me?

If it's you for me forever  
If it's you and me right now  
I'd be alright, be alright

We're chasing stars to lose our shadow  
Peter Pan and Wendy turned out fine  
So won't you fly, fly, fly with me?
