You say "I love you, boy"
I know you lie
I trust you all the same
I don't know why

'Cause when my back is turned My bruises shine Our broken fairytale So hard to hide

I still believe it's you and me 'til the end of time

When we collide we come together

If we don't we'll always be apart

I'll take a bruise; I know you're worth it

When you hit me hit me hard

Sitting in a wishing hole Hoping it stays dry Feet cast in solid stone I've got Gilligan's eyes

I still believe it's you and me 'til the end of time

When we collide we come together

If we don't we'll always be apart

I'll take a bruise; I know you're worth it

When you hit me hit me hard

You said love was letting us go against what Our future is for...

Many of horror Our future's for many of horror

I still believe it's you and me 'til the end of time

When we collide we come together

If we don't we'll always be apart

I'll take a bruise; I know you're worth it

When you hit me hit me hard
