

# Two Is Better Than One

Tyler Ward

I remember what you wore on the first day  
You came into my life  
And I thought hey  
You know this could be something  
'Cause everything you do and words you say  
You know that it all takes my breath away  
And now I'm left with nothing

So maybe it's true, that I can't live without you  
Well maybe two is better than one  
There's so much time, to figure out the rest of my life  
And you've already got me coming undone  
And I'm thinking two, is better than one

I remember every look upon your face,  
The way you roll your eyes, the way you taste  
You make it hard for breathing  
'Cause when I close my eyes and drift away  
I think of you and everything's okay  
And finally now, we're leaving

And maybe it's true, that I can't live without you  
Well maybe two is better than one  
There's so much time, to figure out the rest of my life  
And you've already got me coming undone  
And I'm thinking two, is better than one

Yeah, yeah

I remember what you wore on the first day  
You came into my life  
And I thought hey

Maybe it's true, that I can't live without you  
Maybe two is better than one  
There's so much time, to figure out the rest of my life  
And you've already got me coming undone  
And I'm thinking

Oooh I can't live without you  
'Cause baby two is better than one  
There's so much time, to figure out the rest of my life  
And I've figured out with all that's said and done  
Two, is better than one

Two is better than one
