

# Lights Out

Tynisha Keli

who would have thought it would come to this  
broken hearts & arguments.  
when i'm alone i just reminisce  
how your head laid on my shoulder.  
there are moments that i miss,  
the way it was, it's obvious  
that you don't want the everything that we had.  
no no.

'Cause it's back & forth & up & down  
we're in it then we're fallin' out  
another night with nothing left to say.  
yeah-yeah-yeah-yeah.

maybe it's time to go  
& maybe it's time to give up on me  
I don't wanna let you go  
put the lights, the lights out.  
hate for you to walk away  
it's just another version of the same old story & i don't wanna feel the  
pain,  
put the lights, the lights out.  
ohh, ohh-oohhh, somebody turn the lights, somebody turn the lights  
out.

you're over there, but ya miles away,  
& loneliness is on ya face  
i know you feel the distance too  
it's hard to be in the same room  
we used to just laugh so hard we'd cry  
nothing could stop us from being too good oh whyy  
does it have to be like this?  
it doesn't have to be like this!

it's back & forth & up & down  
we're in it then we're fallin' out  
another night with nothing left to say.  
& nooow

maybe it's time to go (maybe it'sss)  
& maybe it's time to give up on me (it's time to give up on me)  
i don't wanna let you go (oh no-no)  
put the lights, the lights out.  
hate for you to walk away (i hate it)  
it's just another version of the same old story & i don't wanna feel the  
pain(no-no, no-no, noo)  
put the lights, the lights out. (put the lights out)

ohhh, ohh-uuu-oh,  
i don't wanna admit it don't wanna be right,  
but we been in this place too many times,  
i wanna go back to when it was good,  
but that doesn't seem like an easy thing to do,  
even when we try to

cuz it's back & forth & up & down  
we're in it then we're fallin' out

another night with nothing left to say.  
ohhhh & noooow,

may its time to go (to let it gooo)  
& maybe it's time (ya give up on mee!)  
i don't wanna let you go (no-no-no-nooooo!)  
put the lights, (the lights-ight-ights ouuut!)  
hate ofr you to walk away  
(just another verson of the same old story! noo) & i don't wanna feel  
the pain, (no-no-no-nooo)  
put the lights, the lights out.  
somebody turn the lights hoo, somebody turn the lights out oohooahu.  
somebody turn the lights, somebody turn the lights out.  
somebody turn the lights ouuut.
