

# Live Without You

Tynisha Keli

It's been a while since  
Since I saw your face  
Just thought I'd let you know  
You're love can't be replaced  
Knew it would take some time  
But now I realized I'm still not over you  
So many memories of us together  
They never fade away  
No matter whether  
Or not you got somebody in your life now  
That's why I'm telling you right now

I can't help but think  
Think about you  
Everytime I see your picture in a frame  
And now I realize

I don't want to live without you  
Can't make it by myself  
I don't want to live without you  
I don't want nobody else  
I don't wanna  
I don't wanna  
No, No  
I don't wanna  
I don't wanna  
No, No  
I don't wanna  
I don't wanna  
No, No  
I don't want nobody else

And all my friends say  
They say I'm crazy  
But they don't understand  
Just what you do to me  
You take control of me  
Like you're my destiny, you bring out the best in me  
And there will never be another  
Who can love me like you love me when you toucha  
Ooh I can feel it right now babe  
Ooh you know you put it down babe

I can't help but think  
Think about you  
Everytime I see your picture in a frame  
And now I realize

I don't want to live without you  
Can't make it by myself  
I don't want to live without you

I don't want nobody else  
I don't wanna  
I don't wanna  
No, No  
I don't wanna

I don't wanna  
No, No  
I don't wanna  
I don't wanna  
No, No  
I don't want nobody else

I don't wanna  
I don't wanna  
Nobody else can touch me  
I don't wanna  
I don't wanna  
And love me the way you love me  
I don't wanna  
I don't wanna  
Nobody else can touch me  
I don't wanna  
I don't wanna  
All my ladies say  
I don't wanna  
I don't wanna  
Nobody else can touch me  
No, No  
I don't wanna  
I don't wanna  
And love me the way you love me  
No, No  
I don't wanna  
I don't wanna  
No, No  
I don't want nobody else

I don't want to live without you  
Can't make it by myself  
I don't want to live without you  
I don't want nobody else  
I don't wanna  
I don't wanna  
No, No  
I don't wanna  
I don't wanna  
No, No  
I don't wanna  
I don't wanna  
No, No  
I don't want nobody else
