"Mistaken"

[Intro:]

Mmmmm Ohhhh yeah  
oh woowowowoo ahh

[Verse 1:]

See I cant Understand  
Why my man raise his hand  
Do it all thick and thin  
Was you a rider to the end  
Did my best to forget  
Like everything was cool  
And you aint into  
But I wont be a fool

[Bridge 1:]

No more excuses  
'Bout to lose it  
I cant do this  
Your games and all your lies are useless

[Chorus:]

Ohhhh I cant believe you went and did me wrong  
Never thought I would make it on my own  
You must have me mistaken for the BITCH that you was dating on the low  
Ohhh I'm better off now that I'm all alone  
Cause ain't no way I'm waiting by the phone  
So can you take it baby??  
She can freak you crazy  
Put it on you daily like OHhh!

[Verse 2:]

La la la la la la la la la laaaaaaaa

Sick in tired of how it feel  
Couldn't you just keep it real?  
Wasn't I good enough?  
Didn't I show you love?  
Time and time day the day  
You had to have your way  
You were steady in my face  
Said I'm easy to replace

[Bridge 2:]

No more lying  
Left me crying  
No more Buying  
Your games and all your lies about your Ohhh...

[Chorus:]

Ohhhh I cant believe you went and did me wrong  
Never thought I would make it on my own  
You must have me mistaken for the BITCH that you was dating on the low  
Ohhh I'm better off now that I'm all alone  
Cause ain't no way I'm waiting by the phone  
So can you take it baby??

She can freak you crazy  
Put it on you daily like Ohh!

[Verse 3:]

Your never be a part of me again  
Between the sheets with me  
On top of you again  
Hope she makes you happy  
Happy till the end  
Nothing last forever  
You know that I'm better  
Try to tell your friends that I aint worth the time  
Now I'm gone I'm constantly on your mind  
When you hear the song go ahead and press rewind  
Wish we were together  
Baby boy no never!

[Bridge 3:]

No more excuses  
'Bout to lose it  
I cant do this  
Your games and all your lies are useless  
No more lying  
Left me crying  
No more Buying  
Your games and all your lies about your Ohhh...

[Chorus:]

Ohhhh I cant believe you went and did me wrong  
Never thought I would make it on my own  
You must have me mistaken for the BITCH that you was dating on the low  
Ohhh I'm better off now that I'm all alone  
Cause ain't no way I'm waiting by the phone
