

One Of These Days

i want u to kno the truth
being ur friend is wat ill go thru

one of these days ima make u see wat i see
&& hopefully u will fall for me
the way that i feel for u
by doing all the little things that u do
one of these days you'll see i wuz made for you
til then i gotta show && prove
cuz time isnt on my side
if i dont tell u now ull never be mine

iv laid my cards out just for you
so dnt be scared to make a move
cuz u kno that im so gone

this love can go on
cuz i love you baby

one of these days ima make u see wat i see
&& hopefully u will fall for me
the way that i feel for u
by doing all the little things that u do
