

**Yes**

**Tynisha Keli**

Do You Remember The Day That We First Met  
I Wasn't Looking For Anything  
You Asked If I Had  
A Man Said No  
It began Been Amazing Ever Since

Never Thought I'd Ever Get A Chance At Happyness  
Baby Since We've Been Together  
I've Fallin' In Love All Over Again

Thats Why I Say Yes Too Anything You Need  
And Yes Your Where I Want Too Be  
Don't You Know I Love You So  
Your Everything I Need And More  
I Never Want Too Let You Go  
Baby Boy I Love Ya

Yes Too Anything You Need  
Yes Your Where I Want To Be  
Don't You Know I Love You So  
Your Everything I Need And More  
I Never Wanna Let You Go  
Cause Yes Its You I Adore

Now Some Time Has Come By  
And Boy How It Flies When Your Not Looking For Anything  
I Say My Prayers Late At Night You Stay By My Side  
Used Too Be Afraid Of The Love Sence  
But Now That I Know Better Than Too Run From How I Feel  
Baby Were In This Together  
You Carry My Heart And Soul With Care

I'll Always Say

Yes Too Anything You Need  
Yes Your Where I Want Too Be  
Don't You Know I Love You Soo  
Your Everything I Need And More  
I Never Wanna Let You Go  
Baby Boy I Love Ya

Yes Too Anything You Need  
Yes Your Where I Want Too Be  
Don't You Know I Love You Soo  
Your Everything I Need And More  
I Never Wanna Let You Go  
Cause Yes Its You I Adore

Break It Down

Looove Its What You've Givin Me  
Ever Since The First Time You Layed Eyes On Me  
And Your Lips Said Hiii  
And I Had Butterflies Deep Inside  
And Forever Thats Why Why

I Say

[Chorus X2:]

I'll Say Yes Too Anything You Need  
And Yes Your Where I Want Too Be  
Don't You Know I Love You So  
Your Everything I Need And More  
And I Don't Want Too Let You Go  
Baby Boy I Love Ya

Yes Too Anything You Need  
Yes Your Where I Want To Be  
Don't You Know I Love You So  
Your Everything I Need And More  
I Never Wanna Let You Go  
Cause Yes Its You I Adore

Your Everything I Need And More
