

## Black Sabbath (From The Satanic Perspective)

Type O Negative

Who is she that kneels so respectfully before me  
A virgin of snow white purity  
Do not fear my fortunate one  
Let us consummate our igneous union  
Ave Ave Satanas  
Ave Ave Satanas  
I am the shadow with the eyes, eyes of fire  
I will fulfill your every hellish desire  
Come sit on this throne here beside me and be mine  
And we'll watch the flames get higher and higher...  
This is just the start dear friends  
For I have come to claim revenge  
My victims turning, running scared  
You people better go and beware  
Your weak god can not help you now  
Come, we will play in the fire  
Worship the sun  
Worship no one
