Less than Zero (<0)

Type O Negative

My reflection as that shadow's blessing my death
Last soul in agony meet machine tragedy

God if you love me, then why won't you set me free I don't have call-waiting, hey, was that you pranking me?

The sheep within
Wearing wolf's skin
Weak vagiant
Amongst midgets

Snot and cum, piss and shit
Of this I am made - like a taste of it?

Vomit, pus, sweat, tears, blood The scab removed, revealing what was

Of this man of Steele Nothing is real The truth be scant Lord of idiots

The punishment?
Eternal lent
Victims be clear
You're all volunteers
