## My Girlfriend's Girlfriend

## Type O Negative

Say "ah" Say "ah".

It's no secret we're close
As sweaty velcro,
Like latex, fur and feathers
Stuck together
Now.

In their '62 'vette Sharing one cigarette, In a black light trance then Go go dance Then.

Go go trance Then.

They keep me warm on cold nights We must be quite a sight, In our meat triangle All tangled.

Wow.

My girlfriend's girlfriend She looks like you, My girlfriend's girlfriend She's my girl too.

Her and me an her and she and me An uncrowded couple are we three?

Hey we don't care what people say, When walking hand in hand down Kings Highway Two for one today.

My girlfriend's girlfriend She looks like you My girlfriend's girlfriend She's my girl too

My girlfriend's girlfriend She looks like you My girlfriend's girlfriend She's my girl...
