

## These Three Things

Type O Negative

The child is torn From the womb unbaptised  
There's no question It's infanticide  
I'm guilty so therefore condemned  
Destroying angels must come to an end Now in Limbo  
Deprived of paradise That's not so nice

At the end I'll escort you to Hell The dark one's forces  
Lock your flaming cell To murder the ones unborn  
The worst sin you've ever performed  
There are two other things I will tell Know them well

With due respect Hear these words of caution  
If considering an abortion If you dig boiling sulphur  
To which I will not concur  
Leading to a path of misfortune No one won

Of a land that shuns the son So alien call it Area 5-1  
Should there be failure to convert Zion  
What came as a lamb Returning as a lion

Not a nation but a self proclaim-ed state  
Since the year of our lord 1-9-4-8  
The road to redemption leads through deserts  
Rocky though the trip though is well worth it

I am the duel of the fisherman Simon  
He brought Alpha, Omega, yes I'm the one  
The twins fell beginning Armageddon  
So the whore too who dwelleth in Babylon  
All His people gathered round Through forgiveness salvation found
