

# Hold the Heathen Hammer High

Týr

Heathen heart  
Pagan pride  
Faring far  
Sword by Side  
Tribal times  
Northern nights  
Hidden high  
Runic rites I was told

Hold the heathen hammer high  
Hold the heathen hammer high  
Hold the heathen hammer high  
Hold the heathen hammer high with a battle cry  
For the pagan past I live and one day will die  
Hold the heathen hammer high, never turn away  
Ever true unto your forefathers stalwart stay  
Hold the Heathen Hammer high with a battle cry  
For the pagan past I live and one day will die  
Hold the heathen hammer high, never turn away  
Down the wayward way so far faring strangers stray  
Hold the heathen hammer high

Weather wild  
Blackened blade  
Angry eyes  
Ruthless raid  
Heathen heart  
Pagan pride  
Faring far  
Sword by Side  
hard and cold

Hold the heathen hammer high  
Hold the heathen hammer high  
Hold the heathen hammer high  
Hold the heathen hammer high with a battle cry  
For the pagan past I live and one day will die  
Hold the heathen hammer high, never turn away  
Ever true unto your forefathers stalwart stay  
Hold the Heathen Hammer high with a battle cry  
For the pagan past I live and one day will die  
Hold the heathen hammer high, never turn away  
Down the wayward way so far faring strangers stray  
Hold the heathen hammer high

From a pagan past that only the heathen hold  
From the far end of the world and of times untold  
I bring message to your midst of the ways of old  
Ways reluctantly abandoned if truth be told  
Ways abandoned for a scavenger of our souls  
Living on malicious lies, hiding in the holes  
Cruel and credible as any our tale of trolls  
Hold the heathen hammer highest of all your goals

Hold the heathen hammer high with a battle cry  
For the pagan past I live and one day will die  
Hold the heathen hammer high, never turn away

Ever true unto your forefathers stalwart stay  
Hold the Heathen Hammer high with a battle cry  
For the pagan past I live and one day will die  
Hold the heathen hammer high, never turn away  
Down the wayward way so far faring strangers stray  
Hold the heathen hammer high

Hold the heathen hammer high
