## **Lord of Lies**

Shakes the ground in agony the lord of lies Once for every drop of venom in his eyes Anger festers in his heart and loud he cries My revenge will be the end and you will

See me rise, out of fact and fiction, sacrifice Raise your hands

Truth of prophecies is always in your hands When you heed her words and do as she commands Seals your fate and your memorial it stands All the world ablaze I'll set and you will

See me rise, out of fact and fiction, sacrifice Raise your hands for my love and legend of these lands

Bound upon the ground until the day the sun will go away Three winters snow falls in a row; your bonds will break from m e

Skelvur jørðin øll og rapa bjørg og fjøll Brýtur hav um lond og slitna so øll bond

So you stand before the breaking of the world Gather all your strength in vain for you will

See me rise, out of fact and fiction, sacrifice Raise your hands for my love and legend of these lands

End, it has begun, now I am free Your ending sails with me My serpent son stirs up the sea The ship of nails breaks free
