

Ain't Nothin' Like A Jones

Tyrese

I've got a Jones in my bones, whoa oh
I've been thinking about you baby
I want to tell you what's on my mind
Cause you been hanging around me lately
Now I'm reading between the lines

But I've been waiting on you
And you been waiting on me
(so tell me) so can we get together
In real love ecstasy

Cause it ain't nothing like a Jones in ya bones
Ain't nothing real as the feeling I feel
I'm sizing you up
Cause I know what I want
You're breaking me down cause I need you near
Said it ain't nothing like a Jones in ya bones
Ain't nothing real as the feeling I feel
I'm sizing you up cause I know what I want
You're breaking me down cause I need you near

I can see that you're ready baby
So won't you tell me what's on your mind
I've had enough o the games we're playing
And I've been feeling to make you mine

But I've been waiting on you
And you been waiting on me
So can we get together in real love ecstasy

Cause it ain't nothing like a Jones in ya bones
Ain't nothing real as the feeling I feel
I'm sizing you up
Cause I know what I want
You're breaking me down cause I need you near
Said it ain't nothing like a Jones in ya bones
Ain't nothing real as the feeling I feel
I'm sizing you up cause I know what I want
You're breaking me down cause I need you near

It's time I express to you
The joy you bring
When we're together baby
Can we be more than friends
I need to know
This waiting is driving me crazy

Do you got it I got a Jones make it hot
Do you got it I got a Jones do you got it make it hot
