

Best Man I Can Be

Tyrese

I'm standing here alone
trying to face another day
i gotta stay strong (mmm)
to endure this pain

I'm dealing with right now
it flipped my whole life upside down
i don't want your help
i don't need your sympathy

what can a brother do for me
he can help you up when you are down
what can a brother do for me
he can be your eyes when you can't see
what can a brother do for me
he can help me be the best man i can be

i've made a big mistake
and i'm feelin so ashamed
i don't wanna lose my friendship over it
i gotta keep the faith

cuz i'm still your boy
i got your back
and that ain't never never never never gonna change
so i can just side the truth
and keep smiling in your face

I keep strugglin but i'm tryin my best
i got some issues with my own confidence
Lord help me to forgive and forget
can you please help me to be a better man

RL:

for the rest of the darkest nights
shines the brightest sun

All:

i ain't the man i used to be RL:
i'm better than before
