

## Give Love A Try

Tyrese

Now you know you can't deny  
What you're feeling inside  
You want me  
And before you left my sight  
It was running through my mind  
I want you

You know what you want  
And I know what you need  
It's me it's me babe  
You felt it in your heart  
And I knew it right from the start  
It's love

Give love a try  
Please give give love a try  
Give love a try  
Please give give love a try

Just forget about the past  
Give me your loving real fast  
Lets do this  
If you put in your mind  
Give my loving just one try  
I'll love you

You know what you want  
I know what you need  
It's me  
Give love a try

Give love a try  
Please give give love a try  
Give love a try  
Please give give love a try Give love a try  
Please give give love a try  
Give love a try  
Please give give love a try

And you say no no no no  
But I say yeah yeah yeah yeah  
And you say no no no no  
But I say yeah yeah yeah yeah
