

# I Must Be Crazy

Tyrese

I know I got some explaining to do (Oh baby)  
Hey girl, is it cool if I'm honest  
Just hold on, you know that it's hard for me  
To say things, things that I promised  
And do things that I never thought I'd do

What kinda man's not there when you're crying  
What kinda man don't care if he's lying  
Now I understand who could be that kind of man  
That's me, and I must be crazy

I must be crazy for not taking care of you  
And I must be crazy, now I'm feeling like a fool  
Cuz you were my baby and I was yours, too  
It's starting to break me cuz now baby I see  
You were right when you said  
I must be crazy, yeah

You told me we had a problem  
Your girls said you deserve better than me  
And they was right, I can't believe it  
I've gotta ask myself why

What kinda man's not there when you're crying  
What kinda man don't care if he's lying  
Now I understand who could be that kind of man  
And that's me, I'm so sorry

I must be crazy for not taking care of you  
And I must be crazy, now I'm feeling like a fool  
Cuz you were my baby and I was yours, too  
It's starting to break me cuz now baby I see  
You were right when you said  
I must be crazy, yeah

I should have known and had an understanding  
(Of what a woman needs)  
This time I'll be there right  
I'll tell you every night  
I can't live without you, oh  
This time you have my all  
Give my full attention babe  
And I won't go out searchin', babe

Now I know what a fool could do  
(Babe, let me prove it)  
All I need  
The chance from you  
No no no  
Don't take this the wrong way baby  
(No no no)  
I'm not tryna justify what I did  
But now I just gotta ask you something now  
What kinda woman would you be  
If you didn't give a second chance  
To a man like me and  
What kinda woman would you be

If you turned your back on me on my knees  
Cuz I deserve a second chance  
To be the one you call your man  
I'm doing everything I can so girl  
Don't you be crazy, yeah

I must be crazy for not taking care of you  
And I must be crazy, now I'm feeling like a fool  
Cuz you were my baby and I was yours, too  
It's starting to break me cuz now baby I see  
You were right when you said  
I must be crazy, yeah

(Lovin' you the way you wanna be loved  
(I must be crazy, yeah)  
What have I got myself into mama, mama, mama  
(I must be crazy, yeah)  
I was so selfish, ooh)
