

On Top Of Me

Tyrese

This is for all them love makers
Sit back and relax and let me take you there

It's 3 o'clock in the morning
and theres only one thing to do
girl yo bodies crazy layin next to mine
I try my best to keep my cool
but the tempertures steady risin
cause I'm all alone with you
and your sexy ways are so inviting
damn I wanna give it to ya

Baby come and take my hand
I just wanna freak you
(girl I got what you want now it's time for you, climb up on to
p of me)
Girl I want you on top of me
I got what your body needs
Girl I want you on top of me
I got what your body needs

Can I get a sample of you baby
Girl theres something I can guarentee
That you won't be cravin lovin for a while
cause I'm gonna give you all of me
I want you to bust on top of me
I wanna feel the thrust of your lovin baby
I want you to tell me when I hit the spot
Girl I'm tyin make it hot

Baby come and take my hand
I just wanna freak you
(girl I got what you want now it's time for you, climb up on to
p of me)
Girl I want you on top of me
I got what your body needs
Girl I want you on top of me
I got what your body needs
