Plus in up in the club, for free cause I got hooked

I never buy drinks, for bitches  
Unless this bitch my misses  
Or this bitch is my mistress, giving me sexual healing

No time for love feelings whoa  
Don't tell me y'all alone whoa

Get your kiss out and I'm gone

Seven hiaasen honeys piled up in the Bentley Coup  
Chinese chicken heads, fella what you wanna do

All white shoes...blue, yellow, red jewels

Cause in god we trust, but other people pay cash  
A man once told me, no guts no glory  
So I got the beam attached to my twin glock 40's

Six cars and seven cribs, how y'all like me now?
