

So Tippy

Tyrese

Damn it's 5 3 by now, I've seen the whole town
Guzzle in that ace of spade, I'm feeling toe down
My fellows keep telling me to put my phone down, down
Thinking I'm gonn call you and get reckless
Just a fear I'm gonn regret it, in the morning
But right now can't feel my face
Must have been a 100 calls places
I know you heard everything I said
Girl it's one of those nights

Just another night in the city,
When you ain't with me
I wanna be sober but too late
Cause baby I'm so tipsy
You know tonight I'm tipsy baby
So I'ma keep wailing, keep drunk darling, you
I wanna be sober but too late
Cause baby I'm so tipsy
Said I'm tipsy baby

Girl it's been way too long since I've seen ya
And everytime I close my eyes
I'm having dreams of you and me girl
And that's when I start going crazy
And turn it up another notch baby
So pour me up another round
Tonight it's going down
Baby no
