

# Turn Back The Hands Of Time

Tyrone Davis

Oh darling, I'm so lonely without you  
Can't sleep at night, always think about you  
But if I had the chance to start all over  
I would be wishing today on a four leaf clover  
And leaving you with the last thing on my mind  
If I could turn back the hands of time

Oh darling, I can't hold out much longer  
Oh, the pain's so deep, and the hurt is getting stronger  
But if I had just one more try  
I would be yours, yours alone until the day I die  
And we would have a love so divine  
If I could turn back the hands of time

Oh darling, please, please let me come back home  
Your love has been so good to me, baby  
And I just relied without it  
I can't go on, and you're the other half  
That makes my life complete  
If I had one more chance, we'd have a love so sweet
