

# Pull Me Through

Tyrone Wells

I know I should be strong enough to walk alone  
To make my own way down this winding road  
But I'm broken and I need you  
Please to

Pull me through, I need someone to hold on to  
Pull me through, I don't know who else to turn to  
When life is a struggle and I'm in trouble  
I need you to pull me through

Breathe out  
I'm a captive to a blinding doubt  
I'm trying hard just to figure it out  
If you can hear me than I need you  
Please to

Pull me through, I need someone to hold on to  
Pull me through, I don't know who else to turn to  
When life is a struggle and I'm in trouble  
I need you to pull me through

I'm reaching out  
I'm reaching out

Pull me through, I need someone to hold on to  
Pull me through, I don't know who else to turn to  
When life is a struggle and I'm in trouble I need you to pull me through
