

# Watchin' My World Walk By

Tyrone Wells

Everyday at the same time  
On the corner of 3rd and Main  
I take my place against the pawn shop window, waiting for the scene to change

The first time I saw her, everything started to spin..  
So back on up boy, and hold on tight cause here she comes again  
.

Watchin my world walk by... what I wouldn't give to have her by my side.  
Watchin my world, my world, walk by.

She's got eyes like a sunday in paris.  
Legs like a midnight rooooo  
Smile as warm as the california sun, sittin on the seaside town  
..

Watchin my world walk by.. what I wouldn't give to have her by my side.  
Watchin my world, my world, walkin by heyyyyyy

One of these days, I'm going to step out and stand in her way.  
And hope that maybe she'll know its me, until them Imma watch and wait and see

Here she comes again...  
Watchin my world, walk by. what I wouldn't give to have her by my side  
Watchin my worlddddd, my world walkin by..  
Oooooooooo  
Down the street, I believe one day she'll be walkin next to me  
You'll be watchin me, and my world walk by
