

Street Thunder

Tysondog

Street Thunder
The City's aflame but I feel the same
As I always did
Why wonder what happens today
Well help in the same way as it always did

But now I know that something gives in
The morning
Now I know that one day I will win

Street Thunder
Street Thunder

It's a bad feeling
The light's in my eyes
There's no moon in the skies
So I'm blinded
I feel ready
The stars are aligned
I'll take whatever I find

But now I know that something gives in
The morning
Now I know that one day I will win

I can't find what I'm looking for
There's no open door
I'm a prisoner
Who knows what tomorrow may bring
When the nights closes in I'll push harder

But now I know that something gives in
The morning
Now I know that one day I shall win
