Start The Engine - Re-Invent It
Segregate The Lines
Consecrate It - De-Construct It
All Is Artificialized

Human Masses - All Declassified
Desecration - Pure Blood All Denied

Artificialized - Keep The Nation Clean
Re-Dehumanized - Unnatural Machine
Artificialized - Glory Everywhere
Re-Dequalified - Power's In The Air

De-Restricted - Re-Conflicted
Integrated Signs
Disengage The Public Warnings
De-Environmentalized

Unaccepted Human Breedings
Coded And Denied
Factor Out The Live Components
Back To The Assembly Line
