

Back in Pain

U.D.O.

Fight for the right thing
Fight for yourself-no one should run your life
Believe in you- it's just the best to do
Before you're giving up
Stay put and give yourself a chance to grow
Get tough and rough- defend yourself on time
Get coming back for more
You gotta push it through
You're gonna make the truth come true
Back in pain- freedom is not free
Back in pain- freedom is not free
You see yourself so busy
Doing things people always telling you to do
No matter what- always on your own
Fight just for the right thing
Go all the way and never ever change it
Get coming back for more
You gotta push it through
You're gonna make the truth come true
Back in pain- I wanna see your pride
Back in pain- freedom is not free
Back in pain- you're gonna win this fight
Back in pain- freedom is not free, yeah
Oh yeah, you can't do it on your own
I tell ya nothing, nothing new
You gotta see yourself as what you are
Blinded by light and lost- lost in the dark
Back in pain- I wanna see your pride
Back in pain- freedom is not free
Back in pain- you're gonna win this fight
Back in pain- freedom is not free, yeah
Back in pain- I wanna see your pride
Back in pain
